Les tarifes per la família dels instruments SF estan estipulades per l'empresa que té el copyright (QualityMetric) motiu pel que les tarifes externes i internes a la Fundació IMIM seran les mateixes. La tarifa es calcula per cada estudi considerant diferents paràmetres com: el tipus d'entitat promotora (pública o privada), el nombre de participants, el nombre d'administracions, el tipus d'administració (paper, telèfon o plataforma digital), les versions idiomàtiques requerides i el període d'estudi.
